Notifications to FIN-FSA of the application of exemptions from the disclosure obligation

The FIN-FSA has received notifications of application for exemptions from the disclosure obligation from the companies listed below. The exemptions are based on chapter 9, section 8 a of the Securities Markets Act (746/212, as amended) and earlier provisions. The exemptions concern fund management companies, collective investment undertakings and investment firms authorised within the European Economic Area. Parent companies of such companies do not have to sum up their holdings with the shareholdings of mutual funds managed by fund management companies, the shareholdings of collective investment undertakings, or the shareholdings managed by investment firms by virtue of asset management agreements, provided that the shares are managed independently of the parent company.
