Legal nature of regulations and guidelines

**Regulations**

Financial Supervisory Authority (FIN-FSA) regulations are presented under the heading ‘Regulation’ in FIN-FSA’s regulations and guidelines. FIN-FSA regulations are binding legal requirements that must be complied with.

FIN-FSA issues regulations only by virtue of and within the limits of legal provisions that entitle it to do so.

**Guidelines**

FIN-FSA interpretations of the contents of laws and other binding provisions are presented under the heading ‘Guideline’ in FIN-FSA’s regulations and guidelines.

Also recommendations and other operating guidelines that are not binding are presented under this heading, as are FIN-FSA’s recommendations on compliance with international guidelines and recommendations.

The formulation of the guideline shows when it constitutes an interpretation and when it constitutes a recommendation or other operating guideline. A more detailed description of the formulation of guidelines and the legal nature of regulations and guidelines is provided on the FIN-FSA website.
